

# Welcome to the Machine

Roger Waters  
Pink Floyd

## Intro (0:00-1:03)

Em                                  Em                                  C                                  Em                                  3x

+ guitar                                  3x                                  3x                                  3x

## Verse 1 (1:03-2:20)

## Verse 2 (3:58-5:09)

Em                                  C                                  Em

Wel- come, my son.                                  Wel- come                                  to the ma- chine. \_\_\_\_\_  
Wel- come, my son.                                  Wel- come                                  to the ma- chine. \_\_\_\_\_

C                                  Am  
A

Where have you been?                                  It's al - right. We  
What did you dream?                                  It's al - right. We

Em                                  C

1:23 know where you've been.                                  You've been in the pipe  
4:17 told you what to dream.                                  You dreamed of a big

Em

- line, fil-ling in time.                                  Pro - vi - ded with toys and scout-ing for boys.  
star.                                  He played a mean gui tar.

C

You bought a gui tar                                  to pun-ish your ma.  
He al-ways ate                                  in the steak bar.

Em

You did - n't like school, — And you know you're no - bo-dy's fool.  
 He loved to drive in his Jag - u-ar.

2x: skip to refrain  
 (verse 2 is three bars  
 shorter than verse 1)

Refrain  
 C

So wel come \_\_\_\_\_  
 So wel come \_\_\_\_\_

Em 2x to coda

— to the ma- chine. \_\_\_\_\_  
 — to the ma- chine. \_\_\_\_\_
